

## **Funded Entitlement Contract February 2024**

Totterdown Preschool adheres to a transparent policy regarding charges and fees. Our policy is to ensure all parties are aware of what charges are made and what they may cover. We believe they are competitive, fair and ensure that the service provided to your child/ren is above and beyond the governments recommendation 'of the delivery of high-quality education through the EYFS'.

Totterdown preschool complies with the EYFS and Surrey Provider Agreement and the terms set out within them. It is agreed between Totterdown Preschool and Surrey on the provider agreement that "Government funding is intended to cover the costs to deliver 15 or 30 hours a week of funded, high quality, flexible childcare. It is not intended to cover the costs of meals, consumables, additional hours or additional services".

Therefore the 'consumable fee' applied is for the above and not a 'top up fee' or the difference between our normal charge and the amount received from Surrey County Council to deliver funded places.

Therefore, charges beyond funding are as follows:

<b>Charge</b>	<b>Cost</b>
<b>3- hour morning session for 3 &amp; 4 year olds</b>	£23
<b>3- hour morning session for 2 year olds</b>	£26
<b>3- hour afternoon session for 3 &amp; 4 year olds</b>	£23
<b>3- hour afternoon session for 2 year olds</b>	£26
<b>Full day - for 3 &amp; 4 year olds</b>	£46
<b>Full day - for 2 year olds</b>	£52
<b>Lunch club 3 &amp; 4 year olds</b>	£7.67
<b>Lunch club for 2 year olds</b>	£8.67

These charges are reviewed and are subject to change.

Totterdown Preschool accepts all types of funding and a consumable fee is applied at the rate of £1.25 per hour.

### **Additional Services per week**

All children will take part in a range of additional services each week, and parents will be expected to pay for these.

Totterdown preschool complies with the EYFS and Surrey Provider Agreement and the terms set out within them. It is agreed between Totterdown Preschool and Surrey on the provider agreement that '(Extra-curricular activities and outings): These are additional services and parents can expect to pay for these, however providers should be mindful of the cost to parents'.

The additional services have been calculated as being £10 per child per week, in addition to the consumable fees stated above.

These prices are subject to change and review.

All charges will be itemised for reasons of transparency, on your termly invoice.
