- We reflect the diversity of members of our society in our publicity and promotional materials.
- We provide information in clear, concise language, whether in spoken or written form.
- We base our admission policy on a fair system.
- We ensure that all parents are made aware of our equal opportunities policy.
- We do not discriminate against a child or family, or prevent entry to our setting,

on the basis of colour, ethnicity, religion or social background, such as being a member of a travelling community or an asylum seeker.

- We do not discriminate against a child with a disability or refuse a child entry to our setting because of any disability.
- We develop an action plan to ensure that people with disabilities can participate successfully in the services offered by the setting and in the curriculum offered.
- We take action against any discriminatory behaviour by the staff or parents. Displaying of openly racist insignia, distribution of racist material, name calling, or threatening behaviour are unacceptable on or around the premises and will be dealt with in the strongest manner.

## **Employment**

- Posts are advertised and all applicants are judged against explicit and fair criteria.
- Applicants are welcomed from all backgrounds and posts are open to all.
- We may use the exemption clauses of the Equality Act and the Race Relation Act where this is necessary to enable the service to best meet the needs of the community.
- The applicant who best meets the criteria is offered the post, subject to references and checks by the Disclosure and Barring Service. This ensures fairness in the selection process.
- All job descriptions include a commitment to equality and diversity as part of their specifications.
- We monitor our application process to ensure that it is fair and accessible.

## **Training**

- We seek out training opportunities for staff and volunteers to enable them to develop anti-discriminatory and inclusive practices, which enable all children to flourish.
- We review our practices to ensure that we are fully implementing our policy for equality, diversity and inclusion.

## **Curriculum**

The curriculum offered in the setting encourages children to develop positive attitudes about themselves as well as to people who are different from themselves. It encourages children to empathise with others and to begin to develop the skills of critical thinking.

We do this by:

- Making children feel valued and good about themselves.
- Ensuring that children have equality of access to learning.
- Recognising the different learning styles of girls and boys, making appropriate provision within the curriculum to ensure each child receives the widest possible opportunity to develop their skills and abilities.
- Positively reflecting the widest possible range of communities in the choice of resources.
- Avoiding stereotypes or derogatory images in the selection of books or other

visual materials.

- Celebrating a wide range of festivals.
- Creating an environment of mutual respect and tolerance.
- Helping the children to understand that discriminatory behaviour and remarks are hurtful and unacceptable.
- Ensuring that the curriculum offered is inclusive of children with special educational needs and children with disabilities.
- Ensuring that children learning English as an additional language have full access to the curriculum and are supported in their learning.
- Ensuring that children speaking languages other than English are supported in the maintenance and development of their home languages.
- Teaching and following the British Values.

### **Valuing diversity in families**

- We welcome the diversity of family lifestyles and work with all families.
- We encourage children to contribute stories of their everyday life to the setting.
- We encourage parents/carers to take part in the life of the setting and to contribute fully.
- For families who speak languages in addition to English, we will develop means to ensure their full inclusion.
- We offer a flexible payment system for families of differing means.

### **Food**

- We work in partnership with parents to ensure that medical, cultural and dietary needs of children are met.
- We help children to learn about a range of food, and of cultural approaches to mealtimes and eating, and to respect the differences among them.
