- Sterile eye pads (with bandage or attachment) eg No 16 dressing 2.

In addition to the first aid equipment, each box should be supplied with:

- 2 pairs of disposable plastic (PVC or vinyl) gloves.

- a children's forehead 'strip' thermometer.
- The first aid box is easily accessible to adults and is kept out of the reach of children.

- The first aid box is checked every half term to ensure it is fully equipped.
- No un-prescribed medication is given to children, parents or staff.
- At the time of admission to preschool, parents written permission for emergency medical advice or treatment is sought. Parents sign and date their written approval.
- Parents sign a consent form at registration allowing staff to take their child to the nearest Accident and Emergency unit to be examined, treated or admitted as necessary on the understanding that parents have been informed and are on their way to the hospital.
