## No Smoking Policy

### Statement of Intent

We comply with health and safety regulations and the Welfare Requirements of the EYFS in making our preschool a no-smoking environment - both indoor and outdoor including vaping.

#### **Aim.**

To ensure all staff members, parents and carers adhere to the No Smoking Policy in accordance with the safety and wellbeing of all the children at Totterdown Preschool.

#### **Methods**

- All staff, parents and volunteers are made aware of our no-smoking policy.
- We display no-smoking signs.
- The no-smoking policy is stated in our information brochure for parents.
- Staff who smoke do not do so during working hours, unless on a break and off the premises.
- Staff who smoke during their break make every effort to reduce the effect of the odour and lingering effects of passive smoking for children and colleagues.

**All of the above are also applicable in the case of vaping**
